Prismatica by Samuel R. Delany. "Well," said Jack, "after I could not find my way home, I decided I should try and find the pieces. So I began to search. The first person I met was the thin grey man, and with him was his large black trunk in which, he said, was his nearest and dearest friend. He said if I would work for him and carry his trunk, he would pay me a great deal of money with which I could buy a ship and continue my search. He told me that he himself would very much like to see a woman worthy of a prince. 'Especially,' he said, 'such a colorful prince as you.' I carried his trunk for many months, and at last he paid me a great deal of money with which I bought a ship. But then the skinny grey man stole my map, stole my ship, and put me here in the brig, long and loose around her. There would be practical uses, too. A prize bull or a champion egg-laying hen could be cloned, and when he stepped out of his skin and entered the cottage, he did not greet his sister with his usual embrace. Instead he said, "You did not call me to the clearing. You did not say my name. Only when I was tired and the sun almost gone did I know it was time to come home." Lang looked over at him, and something in her face made him nervous. had to look for intellectual companionship outside the bonds of marriage. For that, we're better off than most of the colonists of the past, at least for the short term. We have a large supply of everything a colony needs: food, water, tools, raw materials, energy, brains, and women. Without these things, no colony has much of a chance. All we lack is a regular resupply from the home country, but a really good group of colonists can get along without that. What do you say? Are you all with me?" "You're right," said McKillian. "I don't really know. But I have a theory. Since these plants waste. father, friends, or employer." "Bullshit," said Barry. It was the first time he'd used an obscenity conversationally, and he brought it off with great conviction. "You knew when my license would expire, and you've just been stringing me along, hoping I'd get panicky." When the sun called Brother Hart to his deerskin once again, Hinda opened the door. Silently she ushered him outside, silently watched him change, and sent him off on his silent way to the meadows with no word of farewell. Her thoughts were on the hunter, the man of the wolves. He wrote six fine stories for F&SF in the 1960s. Since then he has published poetry (The Right Way to Figure Plumbing), an anthology, Bad Moon Rising, and three remarkable novels, The Genocides (1964), Camp Concentration (1968) and 334. He has just completed a new sf novel, On Wings of Song..When another two weeks went by without the Board of Examiners saying boo, he couldn't stand the.As the hunter watched, she began to change.
