The thing's eyes focused for a moment on Detweiler. It looked at him, beseeching, held out one hand, "You know, Barry," Ed said, "I've been thinking about what you were saying, and I think the whole." The second thing I have to announce tonight is that such a commitment has now been made. As I mentioned a moment ago, this subject has been under study for a considerable period of time. I can now inform you that, three days ago, the President of the United States and the Chairman of the Eastern Co-Prosperty Sphere signed an agreement for the project which I have briefly outlined to be pursued on a joint basis, effective immediately.
