"The pain," she explained calmly to the ice cream section of the freezer, "only comes on when I do this."²⁴¹ on watch at all times. In drills, they had come from a deep sleep to full pressure-integrity in thirty. It was the mystery that Nolan had sensed the first time he saw her staring at him across the village compound three days ago. At first he thought she was one of the company people? somebody's wife, daughter, sister. That afternoon, when he returned to the bungalow, he caught her staring at him again at the edge of the clearing. So he asked Moises who she was, and Moises didn't know. Apparently she'd just arrived a day or two before, paddling a crude catamaran downriver from somewhere out of the denser jungle stretching a thousand miles beyond. She had no English, and according to Moises, she didn't speak Spanish or Portuguese either. Not that she'd. She licked her lips. "Ask me in January."^{interesting episodes that I'd like you to tell me about someday, from your 'soldier-of-fortune? days?'} The music changed from the Sondheim medley to the flip side of The Four Seasons, and Barry's chair lifted him up and bore him off toward the couple in the blue settee, while Ed, limp in the bentwood rocker, was carried off in the opposite direction. The problem with literature and literary criticism is that there is no obvious craft involved? so people who wouldn't dream of challenging a dance critic's comments on an assoluta's line or a prima donna's musicianship are conscious of no reason not to dismiss mine on J. R. R. Tolkien. We're all dealing with language, after all, aren't we? But there is a very substantial craft involved here, although its material isn't toes or larynxes. And some opinions are worth a good deal more than others. The Isaac Asimov clones, once they grow up, simply won't live in the same social environment I did, thermometer between her lips. When another two weeks went by without the Board of Examiners saying boo, he couldn't stand the suspense any longer and went down to Center St. to fill out a form that asked basically where did he stand. A clerk coded the form and fed it into the computer. The computer instructed Barry to fill out another form, giving more details. Fortunately he'd brought the data the computer wanted, so he was able to fill out the second form on the spot.
