By the time I filled Lucas McGowan in on all the details (I got the impression he was less concerned with his wife's infidelity than with her taste; that it wouldn't have been so bad if she'd been shacking up with movie stars or international playboys), collected my fee, and grabbed a Thursday special at Colonel Sanders, almost two hours had passed. Harry hadn't answered my knock, and so I let myself ia with a credit card. Amos and Jack were happy as they had ever been, and the North Wind roared to the edge of the ledge and they climbed on his back, one on each shoulder. They held themselves tight by his long, thick hair, and the Wind's great wings filled the cave with such a roaring that the' fires, had they not been maintained by magic, would have been blown out. The sound of the great wing feathers clashing against one another was like steel against bronze..2. You don't prove what you say; you just assert it.
