The old stuff really hit the fan with about a dozen. At first he'd assumed that he'd failed. A reasonable assumption, since he had struck out his first time. She smiled at them and said, "I am glad you have come for the second piece of the mirror, but it is buried in this frozen shard of ice. Once, when I was a girl, I chopped through a chunk of ice to get to an earring my mother had dropped the night before in a winter dance. That block of ice was the coldest and hardest ice any man or woman had ever seen. This block is ten degrees colder. Can you chop through it?".273.purple trimming, the cape was crimson with orange design, the shirt was gold with rainbow checks, and..After all, a human being is more than his genes. The captain strikes the door again, with the edge of his fist this time. "Sreen!" A bellow which, curiously, does not echo in the vast antechamber. "Sreen! SREEN!" Congreve pushed himself back from the podium with his arms and straightened. When he resumed speaking, his tone had lightened slightly. "In the area that concerns all of us here in our day-to-day lives, the accelerating pace of the space program has brought a lot of excitement in the last two decades. Some inspiring achievements have helped offset the less encouraging news from other quarters: We have established permanent bases on the Moon and Mars; colonies are being built in space; a manned mission has reached the moons of Jupiter; and robots are out exploring the farthest reaches of the Solar System and beyond. But" --he extended his arms in an animated sigh-- "these operations have been national, not international. Despite the hopes and the words of years gone by, militarization has followed everywhere close on the heels of exploration, and we are led to the inescapable conclusion that a war, if it comes, would soon spread beyond the confines of the surface and jeopardize our species everywhere. We must face up to the fact that the danger now threatening us in the years ahead is nothing less than that." "Right. The thing about cars is ... Well, I live in Elizabeth across the river, right? So any time I come here I've got to drive, right? Which you might think was a drag, but in fact I always feel terrific.
