Though it seemed terrible to bury a breathing body, yet he was cold, and his blood did not run, and no soul was in him. That was more terrible. So we made ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have summoned myself again into life, to do what must be done."..After Morred, seven more kings and queens ruled from Enlad, and the realm increased steadily in size and prosperity.."Oh, no, you're not, Master Otak. But if he lets you in, then from inside you see that the door is entirely different - it's made out of horn, with a tree carved on it, and the frame is made out of a tooth, one tooth of a dragon that lived long, long before Erreth-Akbe, before Morred, before

there were people in Earthsea. There were only dragons, to begin with. They found the tooth on Mount Onn, in Havnor, at the centre of the world. A vital ethical and intellectual force, the archmage also exerted considerable political power. On the whole this power was used benevolently.
