At intervals that varied unpredictably the furniture within this living room would rearrange itself, and suddenly you would find yourself face-to-face with a new conversational partner. You could also, for 8 few dollars more, hire a sofa or armchair that you could drive at liberty among the other chairs, choosing your partners rather than leaving them to chance. Relatively few patrons of Partyland exercised this option, since the whole point of the place was that you could just sit back and let your chair do the driving. What you see are computer-generated summaries of our progress, mere pieces of paper that do not represent the full situation. For example, nowhere in those reports is the well-being of our programmers evaluated. Now I can say without equivocation that our morale down here has never been higher. Absence due to personal illness has dropped twenty-seven percent over the last two months. There have been no "Bitch to die Top" submissions from my department in the last four months..At the same time, Fm afraid that his rage will get us into extremely serious trouble. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures.."I can understand the drink," he said, carefully.
