He thought he ought to be homesick, to think about. She asked no more questions. She never argued; it was one of her virtues..In silence Dulse sought his name, and saw two things: a fir-cone, and the rune of the Closed. And the boy must have a staff. Why had Nemmerle let him leave Roke without one, empty-handed as a prentice or a witch? Power like that shouldn't go wandering about unchannelled and unsignalled.. "The wizard let you visit home?" "That would be only what the women of the Hand call it, keeping its meaning from the wizards and the pirates. To them no doubt it would bear some other name." They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms..not there. Wishing to end the. He went slowly round to the eastern side of the hilltop, bright and warm already with the light of the sun a couple of fingers' width above the horizon. Looking under the sun he saw the roofs of a town at the head of a bay that opened out eastward, and beyond it the high line of the sea's edge across half the world. Turning west he saw fields and pastures and roads. To the north were long green hills. In a fold of land southward a grove of tall trees drew his gaze and held it. He thought it was the beginning of a great forest like Faliern on Havnor, and then did not know why he thought so, since beyond the grove he could see treeless heaths and pastures..Namer, master of the knowledge of the True Speech. "A great enemy has gathered against you, south in the Inmost Sea, and we. is to say, indirectly, but considerably.. "How's that?" she said. "You are. You have to be. Everybody is. What do you say? Shall. There were many such isles in the Archipelago, made barren and desolate by rival wizards' blights. "I should go," she said. "I can walk in the Grove, but not live there. It isn't my - my place. And. He resolved to wait and watch. Being a patient man with a strong will, he did so for four years, till Diamond was sixteen. A big, well-grown youth, good at games and lessons, he was 'still ruddy-faced and bright-eyed and cheerful. He had taken it hard when his voice changed, the sweet treble going all untuned and hoarse. Golden had hoped that that was the end of his singing, but the boy went on wandering about with itinerant musicians, ballad-singers and such, learning all their trash. That was no life for a merchant's son who was to inherit and manage his father's properties and mills and business, and Golden told him so. "Singing time is over, son," he said. "You must think about being a man." Gelluk stood tense and trembling, still at a loss. "Tures," he said, after a time, almost in a whisper..thinking of going to Roke, to meet with the mages there..only fear she had ever shown of anything. But she disliked the low, cramped cabin, and had stayed. Her apparition stood again just outside the spiderweb cords of the spell, gazing at him, and seeing him, for a soft, bluish, sourceless light filled the room. Her sore, raw lips quivered but she did not speak..round his neck.
