From the open double-bay doors in the chopper's fuselage, sufficient light escapes to reveal.Jay blinked and looked up to find Pernak watching him curiously. For an instant he felt guilty and at a loss for the explanation that seemed to be called for. "Bernard told me about it," Pernak said before Jay could offer anything. "I guess he's under a lot of pressure right now, so don't read too much into it." He stared at the box in Jay's hand.' "I don't see anything--not a damn thing. Come on, Jay. Let's take a look at that loco of yours." "So where do you go?" Jay asked again..Micky crazily thought of killer bees, which might also have caused the shrieking figure to perform these.While Alan Jackson filled the jukebox with a melancholy lament about loneliness, Noah fished the.blurred, and she heard vintage feeling wash through her words. Here he might not be able to.Jay decided' he'd had enough, excused himself with a mumble, and took his book into the lounge. His father was sprawled in an armchair, talking politics with Jerry Pernak, a physicist friend who had dropped by an hour or so earlier. Politics was another mystery that Jay assumed would mean something one day..intrusion..platter..".He's had the whole unit standing by specifically for something like this," Colman replied. "He's waiting for news right now, that's why I'm here..".On the bed, Sinsemilla romped, cheering one of the combatants,

cursing the other, and though Leilani and she laughed with strange delight. Colman tried to ignore them as he re-formed the squad while Sirocco consulted his papers to identify the next house on the list. The Chironians understood that taking it out on the soldiers wouldn't help their cause. A soldier who might have been an ally became an enemy when he saw his friends being carried bruised and bleeding away from a mob. Everything the Chironians did was designed to subtract from their enemies instead of add to them, and to whittle their opposition down to the hard core that lay at the center, which was all they had any quarrel with. He could see it; Sirocco could see it, and the men could see it. Why couldn't more of the Terrans see it too? After blow-drying her hair and her leg brace, the young killer cyborg wiped the steam off the mirror and said, "You know, walking around the park in a costume, having your photo taken with people.
