"These are what I need," said Amos, putting on the clothes quickly, for he was beginning to get chilly standing in his underwear. Then he climbed over the edge of the boat into the swamp. He was so bright and colorful that nobody saw the figure hi dirty rags run quickly behind them to the far end of the ship and also climb over into the swamp. A sailor is splicing a rope in the stem, two others lowering a triangular sail between the foremast and the bowsprit, and a fourth is at the helm. A little group stands leaning on the starboard rail; one of them is a woman. The next glimpse is that of a running figure who advances into the screen and disappears. Now the men are lowering a boat over the side; the rail has been removed and lies on the deck. The men drop into the boat and row away. He hears them shouting to each other but cannot make out the words.."I have an idea on that," McKillian said.
